MESSIANIC SYNAGOGUE

Omer Count 5783/2023

(Jewish people preface the counting with the appropriate blessing.)

Today is ___ day(s) [which constitute ___ week(s) and ___ day(s)] of the omer. May the Compassionate One return for us the service of the Holy Temple to its place, quickly and in our days. Return your Dwelling Presence to Zion, your city, and send us Yeshua our Messiah a second time. Let him reign upon the throne of David in Jerusalem, your holy city. Amen, *Selah*.

Psalm 67: For the director, with instruments. A psalm, a song. May God be gracious to us and bless us; may He illuminate His face with us, *Selah*. Let Your way be known in the earth, and Your salvation among all of the nations. The peoples will acknowledge You, O God; all of the peoples will acknowledge you. The populations will be glad and sing joyfully, for He will judge the peoples evenhandedly, and He will lead the populations of the earth, *Selah*. The peoples will acknowledge You, O God; all of the peoples will acknowledge you. The earth has yielded its harvest; may God, our God, bless us. May the LORD bless us, and may all the ends of the earth fear Him.
